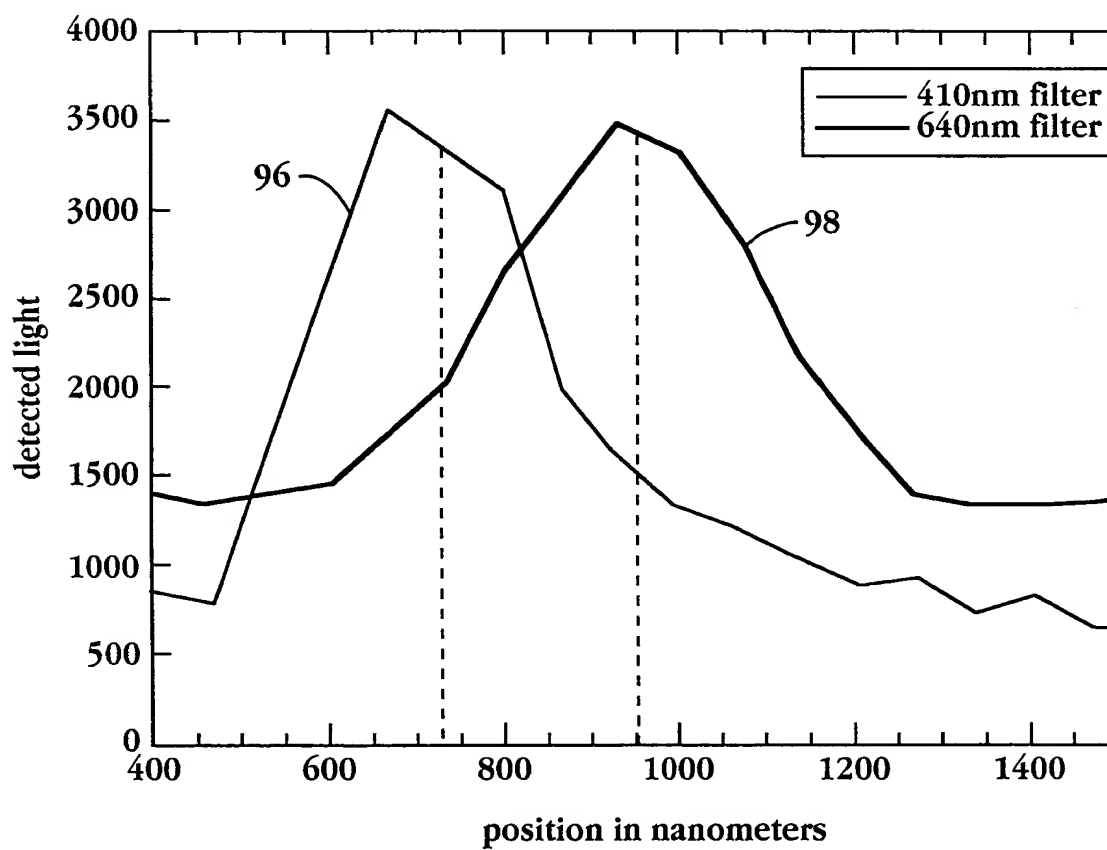

Fig. 8

The graph is a log-log plot with the following data points (approximate values):

picograms goat anti-biotin	counted PRPs
0.06	4
0.6	25
3.5	25
7	100
35	180
70	200
350	750
600	1500
